

WALNUT ELEMENTARY PRESENTS:

John Abrams'

THE BULLY PREVENTION PARENTING SEMINAR!

(How to talk to your kids about the bullies, the bullied and the bystanders)

January 31, 2011

6:30 p.m. – 8:00 p.m.

Multi-Purpose Room

These are just a few of the topics tackled by *The Bully Prevention Parenting Seminar*:

RECOGNIZING THE PROBLEM

- **How to tell if your child is a bully:** Nobody wants to know that their child is the bully. However, parents need to know how to recognize the signs of this behavior.
- **How to tell if your child is being bullied:** Has there been a change in your child's behavior? Does he/she seem to be sick more often than before? You may not know it, but the effects of bullying can affect every part of your children's lives.
- **The Bullying Cycle and How To Break It**
- **The Warning Signs of Future Violence**

SOLVING THE PROBLEM

- **How to create a "Backbone Family"**
- **How to teach your children the difference between Teasing and Taunting**
- **How to teach your children the difference between Telling and Tattling**
- **How to create a dialogue with your children about Bullies and Bullying**
- **9 Dos and Don'ts when talking to your children about bullies**
- **4 Important Antidotes to bullying**
- **How and when to use *Assertive Lines***
- **How to create good witnesses in your children**
- **How to present the problem to your children's teachers**

You will walk away with the tools of bully prevention!
